*Cohen v. Cohen, 09 CIV 10230 (LAP)*

Dear Judge Preska:

We write to as counsel to Patricia Cohen in the above matter to request a two week extension of the remaining pre-trial schedule in this matter. The reason for the request is that the parties have lost two weeks due to (i) the predicted major snowstorm of January 27, 2015, which caused a one week delay in the one remaining deposition, and (ii) the unexpected death of the mother of one of the attorneys on the evening before the deposition, which caused an additional one week delay. Defendants do not object to the request.

The suggested new schedule is as follows:

1. Expert reports shall be served by March 17, 2015.
2. Rebuttal expert reports, if any, shall be served by April 17, 2015.
3. Expert depositions shall be completed by May 9, 2015.
4. Any dispositive motions shall be filed by June 3, 2015. Papers in opposition thereto shall be filed by July 3, 2015, or one month after the dispositive motion is filed. Reply papers shall be filed July 24, 2015, or three weeks after opposition papers filed.
5. The parties shall file a joint pretrial order within thirty (30) days of a decision on any dispositive motion, if necessary. If no dispositive motions are filed, the parties shall file a joint pretrial order by July 2, 2015.
